

Advanced Driving School, Inc.
Adult Online Course Term & Conditions

1. All participants are required to achieve at least a 75% on the final examination. If the student scores less than 75%, the student shall be retested using different questions from a new test bank. Students are not required to repeat the course, but may be allowed to review the course prior to retaking the examination. If the student fails to achieve the 75% the second time, it will be recorded as the student has failed the course. This will require the student to repay, re-enroll, and achieve the 75% as required for a passing grade in the course.

2. Students must complete the entire course within 30 days of the enrollment. Students not completing the course within 30 days will be required to repay/re-enroll and complete the entire course in the allotted time with a passing grade of 75% on the final exam.

3. Students are required to read and agree to the course terms and conditions before starting the course. Student's payment for the course must be verified before the certification of passing this course is submitted to the Secretary of State.

4. Students may contact Advanced Driving School, Inc. by phone during normal business hours at 618.789.5745 or by email adsonlinehelp@advanceddrivingschool.org. All questions will be answered within 48 hours.

5. All disputes under section 1066.60 shall be directed to the Secretary of State.

6. Participants agree to allow data to be collected solely for course content purposes, and understand the information will not be disclosed or sold to any other party.

7. Important: At the beginning of module one, participants will be required to provide answers to ten security challenge questions. If you do not receive the security challenge questions at the start on module one you will need to contact the site administrator. All pop up blockers must be allowed while the student is taking the course. The security questions will randomly appear throughout the course, and only the student will be able to answer these questions correctly. The security challenge questions must be answered with the original response, and must be answered within 60 seconds. Students will only be allowed to miss three questions before being lockout of the course. Once you become lockout of the course it is deemed that you failed the course, and you must retake the course after you contact the site administrator for details. Students will be able to log in and out of the course as needed, but once you begin the course you must complete the entire course on the same computer using the same browser. If you don't understand any of the instructions please call the site administrator for details at 618-789-5745.

6. This agreement constitutes the entire contract between the provider and the student and that no verbal assurances not contained in the agreement shall bind the provider or the student. The provider will not refund any fees if the provider is capable and willing to perform its part of the contract.
